Michèle Carole is an associate at MRB Attorneys with strong qualifications and skills in the legal field. Her expertise includes corporate and commercial law, employment law, intellectual property and advisory services. Michèle has extensive knowledge of Alternative Dispute Resolution (ADR), providing clients with effective ways to resolve disputes outside of court.

Her extensive experience in legal research, drafting and review enables her to approach each case with a thorough understanding of the intricacies involved. Michèle excels at conducting due diligence and legal audits, ensuring that all aspects of legal matters are carefully assessed and aligned with regulatory compliance. In addition, her legislative drafting skills underline her ability to navigate complex legal landscapes and contribute to policy development.

Michèle's fluency in French and English allows her to work seamlessly with clients and stakeholders from a variety of linguistic backgrounds. These language skills enhance her ability to engage in legal matters on a global scale, broadening her scope of influence and providing clients with comprehensive legal support.

Michèle's dedication, precision and commitment to achieving positive results make her a valuable asset to the legal profession. Her approach combines legal acumen with a client-focused perspective, ensuring that each case is handled with care and diligence.
